ABOUT COMPANY

Wall Street International (WSI) is a trusted business solutions provider in Doha, Qatar, offering integrated services in Sales & Marketing, Software & IT Solutions, Company Formation, and Document Clearance. Founded in 2006, we help businesses start, grow, and operate efficiently by combining industry expertise with innovative, technology-driven solutions.

Guided by our philosophy, “Linking People’s Skills & Talent,” we focus on delivering reliable, professional, and client-centered services that create real value. From supporting new business setups to enabling digital transformation, WSI serves startups, SMEs, and corporate enterprises with equal commitment.

Aligned with Qatar’s National Vision 2030, we continue to contribute to the nation’s growth by empowering organizations with smarter strategies, advanced systems, and exceptional service.

At WSI, we are not just service providers – we are partners committed to your business success.

CEO MESSAGE

It gives me great pleasure to welcome you to Wall Street International. I am deeply grateful for the trust and partnership of our valued clients and for the unwavering dedication of our team, who have made our success possible.

Since our inception in 2006, our mission has been clear – to empower businesses through innovation, integrity, and excellence. What started as a vision to connect people and opportunities has grown into a trusted business group serving clients across Qatar and beyond.

At WSI, we take pride in offering a comprehensive range of services – from Sales & Marketing and Software & IT Solutions to Company Formation and Document Clearance – designed to help organizations start strong, grow fast, and succeed sustainably.

Our people are the foundation of everything we do. Their talent, creativity, and commitment continue to inspire our growth and strengthen our relationships with every client we serve.

As we look ahead, we remain committed to contributing to Qatar's National Vision 2030, supporting businesses with smarter solutions, and creating lasting value through innovation and collaboration.

Together, we will continue to shape a future defined by opportunity, progress, and shared success.

Warm regards,
Mohamed Ali Mohamed Ibrahim

VISION & MISSION

Vision

To be a leading business solutions and marketing company in Qatar and the region – empowering enterprises with innovation, technology, and strategic expertise to achieve sustainable growth and global competitiveness.

We envision a future where Wall Street International (WSI) stands as a trusted partner for every business – connecting people, ideas, and opportunities to build a stronger, smarter, and more connected world.

Mission

Our mission is to deliver comprehensive, customer-focused, and technology-driven business solutions that help organizations operate efficiently, grow confidently, and succeed sustainably.

At Wall Street International, our mission is simple – to empower people, enhance performance, and enable businesses to reach their full potential in the digital world.

OUR PROJECT

PROJECT 1

QPAY International – Fintech & POS Integration Project

Wall Street International (WSI) partnered with QPAY International, Qatar's largest fintech provider, to support businesses in adopting secure, efficient, and modern payment solutions.

Our team successfully delivered:

- 🕒 POS (Point of Sale) system deployment across multiple retail and service sectors
- 🕒 Corporate account assistance for businesses onboarding the QPAY ecosystem
- 🕒 Integration of e-billing and invoicing systems for seamless financial management
- 🕒 Training and onboarding support for merchants and staff
- 🕒 Document processing and compliance assistance for merchant activation

Through this project, WSI enabled businesses to transition from manual operations to fast, secure, digital payment acceptance, strengthening Qatar's move toward a cashless economy.

OUR PROJECT

PROJECT 2

SADAD Payment Solutions – Merchant Acquisition & Digital Enablement

As part of our collaboration with SADAD, one of Qatar's leading payment platforms, WSI played a key role in expanding their merchant network and enabling businesses to adopt modern digital payment channels.

Our contributions included:

- ✓ Merchant onboarding and documentation support
- ✓ Installation of SADAD POS terminals
- ✓ Integration of online payment gateway solutions for websites and mobile apps
- ✓ Customer guidance on SADAD Wallet and QR payment features
- ✓ Technical coordination and after-sales assistance

This project helped hundreds of small and medium enterprises (SMEs) gain access to reliable digital payment systems, improving their operational efficiency and customer convenience.

OUR PROJECT

PROJECT 3

NOQODY – Digital Payment Gateway & Service Activation Project

In partnership with NOQODY, a rapidly growing Qatar-based payment facilitator, WSI supported a wide range of businesses in adopting simplified, secure payment solutions.

Our project focus included:

- 🕒 Digital payment gateway setup for e-commerce businesses
- 🕒 Integration of NOQODY systems with POS and billing software
- 🕒 Assisting clients with commercial registration and compliance requirements for onboarding
- 🕒 Activation of mobile payment services and QR-based transactions
- 🕒 Technical support and merchant education

With WSI's involvement, businesses benefited from a smooth shift to digital-first transactions, enabling faster growth and increased customer trust.
